JACKSON PUBLIC SCHOOL DISTRICT BOARD POLICY JIAA - ACCEPTABLE USE AND INTERNET SAFETY POLICY

I. PURPOSE

With the spread of telecommunications throughout society, including the educational environment, the Board recognizes that students and employees will shift the way they access and transmit information, share ideas, and communicate with others. As schools and offices are connected to the global community, the use of new tools and technologies brings new responsibilities as well as opportunities. Network resources are intended for educational purposes and to carry out the legitimate business of the school district. The Board expects all users of the district's computing and network resources, including electronic mail and telecommunications tools, to utilize these resources appropriately.

II. DEFINITIONS

A. Child Pornography

The term "child pornography" has the meaning given such term in section 2256 of title 18, United States Code.

B. Harmful to Minors

The term "harmful to minors" is defined by the Communications Act of 1934 (47 USC Section 254 [h][7]), as meaning any picture, image, graphic image file, or other visual depiction that taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion; depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

C. Minor

The term "minor" means an individual who has not attained the age of 17.

D. Obscene

The term "obscene" has the meaning given such term in section 1460 of title 18, United States Code.
